Brand Concept

LEXA's smart home products, simple and human-oriented, are far above others, with many patents fully showing their complete functions and durability. The brand spirit and personality element make LEXA a top brand in the international industry. Every series has its soul and personality and realizes an elegant fusion of home space. Considering people's feelings and needs, LEXA keeps trying to make things simpler with unique design, perfect technique, top materials, and sophisticated construction. And every product is perfection from every angle, even in the smallest details. Defection or compromise is not allowed in LEXA, even inside or out of sight. We are not only bringing the best products to the whole world but also making LEXA one of the LEXA global manufacturers.

LEXA is on behalf of noble taste and leads the world in the development of control equipment. Sticking to the business philosophy of simplicity, originality, personality, and humanity, LEXA provides perfect solutions with superb technology, unique design, and verified products, and integrates diverse control in smart home blueprints.

• Audio Output: 2W Speaker
• 10 meter visual range
• Wireless: IEE802. 11. b/g/n
• Size: 120X40X140mm

Smart Solar Camera

MTYS10

- Solar panel universal adjustment, built-in super capacity battery
- Ultra-low power standby, quick wake up in 0.2 seconds
- PIR sensor + radar dual alarm detection
- High-performance ISP and 1/2.7 progressive sensor, blacklight full color
- 1920x1080P HD video
- Built-in microphone and loudspeaker,support two way audio
- Support Cloud storage and local storage
- APP support Android/IOS
- IP65 waterproof
- Support All-in-One installation and separated installation

MTPP6

- Full HD 1080p Battery Powered Security Camera with PIR Sensor (with Solar Panel for Continuous Power Charging Outdoor)
- The recharge battery can support 180 days standby, video intercom, infrared detection, fast response, easy installation.
- T21Z Chipset, More functions and lower power consumption
- Infrared night vision, guarding family safety 24 hours a day
- Intelligent motion detection, abnormal situation is pushed to mobile phone within 1 second
- 2pcs 18650 rechargeable batteries, standby for up to 6 months
- 1080P 2.0MP high-definition picture quality, the picture is clearer and more delicate
- LinUX operating system, start faster, run more stable
- Wi-Fi/AP connection, no wiring required
- HD 2.0MP image sensors for recording clear dynamics
- Two wake-up methods: mobile phone remote active wake-up, PIR wake-up
- Support iOS and Android systems

MIPC216

- IP66
- 1080p Wifi Waterproof Bullet Solar Panel
- Charging Metal Camera
- Real Time Message Push
- Rechargeable Solar Panel With 4pcs 18650 Batteries
- Standby 4-6 Months
- 6W Solar Board

MSZ01

- HD 2 million pixel CMOS image sensor, which has good low illumination effect and high image definition.
- Support 2.0MP (1920x1080P) HD resolution.
- Support IR-CUT day and night switching, support day and night full color, APP free switching.
- Support phone wake-up and PIR wake-up.
- Support two-way voice intercom.
- Support SD card storage, cloud storage, video query playback.
- Support device sharing.
- Its own intelligent detection algorithm effectively reduces false alarms.
- The device configuration can be realized in only 2 steps.
- The fastest time to wake up to see the image can be within 3 seconds, and the message will be pushed within 1 second.
